Kafé & Katering

Hello Folks, my name is Arden deSaussure. I was born and raised here in Jacksonville, and have been cooking for about 22 years. I would like to thank my family and friends for their support in making this restaurant possible. All of my ingredients are fresh, and most everything is made from scratch. If there's something you like that you don't see on the menu, please ask- I will be glad to make it for you. My goal is to provide you with excellent food at a reasonable price. If at anytime you are not completely satisfied, please let me know.

Enjoy and Bon Appétit
